

Waiver of Maintenance Renewal

I, hereby waive the renewal of annual maintenance for Product Key License number _____ which is registered to (end user name) _____. Maintenance for the above referenced Product Key Number was invoiced on Galaxy Invoice # _____. An account credit will be issued for the maintenance charge for the above invoice.

I understand that by waiving the annual maintenance renewal agreement, the right to make any changes to the existing software license is being waived and the purchase of new software will be necessary to make any future changes to the software license.
